

ATTENTION Medical Students

Interested in Ob-Gyn as a Career?

Did you know there is a Web site where you can go to research hundreds of institutions to find an ob-gyn residency that best fits your career objectives? The Association of Professors of Gynecology and Obstetrics (APGO) has developed a site that offers:

Pertinent Information of Residency Programs
throughout the U.S. and Canada, including:

Curriculum
Program Size
Medical School Affiliation
Faculty
Benefits
and Much More!

Also included is information on:

How to Evaluate a Residency Program
Choosing a Specialty
The Application Process
Interview Strategies

Visit www.apgo.org/residency

The Residency Directory is open and accessible to all
without password restrictions.

It's there for YOU!
