The Medical Education Council of Pensacola (MECOP), the accredited sponsor, is jointly providing this activity with the Association of Professors of Gynecology and Obstetrics (APGO).

CDS 301 is designed for clerkship directors of all levels of experience, including those who are considering becoming a clerkship director.

These interactive sessions will cover intermediate and advanced subjects that every clerkship director should know. Participants will be given various resources to use at their home institutions.

To acknowledge the significant investment of time and resources required to participate in the program, APGO will issue a certificate of completion to attendees who complete CDS 101, 201 and 301 within a three-year time period.
