Baptist Health in North Little Rock, Arkansas is seeking an OB/GYN Physician for Graduate Medical Education (GME).

Baptist Health Medical Center in North Little Rock (BHMC-NLR), Arkansas, in conjunction with Arkansas Health Group (AHG) is seeking a board eligible/board certified OB/GYN physician to join the Baptist Health Women’s Clinic. The need is for additional core faculty in a brand new OB/GYN Residency that will begin in July of 2022 with 4 interns. The ideal candidate should be willing to help build a new practice and proctor OB/GYN residents as well support the other GME programs. The successful candidate will be joining 3.5 existing dynamic providers with a holistic approach to patient care. Five (5) years or more experience as a practicing OB/GYN with academic medicine is desirable.

The practice scope will include: Obstetrics and Gynecology; Ultrasounds; Hysteroscopy; Endometrial ablation; Culposcopy; and LEEP. The group practice model will average 20 deliveries per physician per month. One existing physician is certified in robotic gyn surgery. The shared call will be 1 in 4 and rotating weekends.

The Baptist Health Women’s Clinic will be located in May 2020 in a brand new, state of the art, 150,000 square foot GME building on the campus of BHMC-NLR, a 220-bed facility. The GME building also houses (2) new residency programs in Family Medicine and Internal Medicine that will represent a built in referral base. Additional GME programs will be added in the future. BHMC-NLR is the only hospital in North Little Rock with L & D capabilities.

The OB/GYN Residency is sponsored by a joint effort of Baptist Health and the University of Arkansas for Medical Sciences (UAMS). Adjunct appointment to UAMS may be available for well-qualified candidates.

Arkansas Health Group is the employed physician group for Baptist Health. This opportunity provides a base salary as well as quality incentive and production based bonuses. Disability, healthcare, malpractice, and retirement are included in the benefits package.

North Little Rock is a community of over 65,000 people. The city offers diverse, charming, and affordable neighborhoods. The area boasts beautiful lakes, outstanding parks and recreational facilities, as well as walking and biking trails on the picturesque riverfront of the Arkansas River. Other highlights of the community include minor league baseball at Dickey-Stephens Park and an inland maritime museum.
