

ECU Department of Obstetrics & Gynecology General Ob/Gyn Division

The Department of Obstetrics and Gynecology at Brody School of Medicine at East Carolina University is seeking a full-time faculty member at the Assistant or Associate Professor level; tenure track or fixed term appointments are available.

The mission of the Division of General Obstetrics and Gynecology encompasses the triad of academic medicine: leadership in patient care, teaching of medical students and resident physicians, and pursuit of clinical and basic science research. The physician hired will participate in all areas of patient care and teaching provided by the division.

Job highlights include:

- Employment by East Carolina University's Brody School of Medicine
- Hospital privileges at Vidant Medical Center, a 974 bed Level I Trauma Center with a Level IV Neonatal Intensive Care Unit
- A referral network including a 29-county area with a population of 1.4 million people
- Active involvement in the teaching of medical students and residents, multidisciplinary teams providing clinical care, and ongoing research.

Candidates must possess an MD or DO degree, be eligible to practice in the State of North Carolina by the time of employment, and qualify for medical staff privileges at Vidant Medical Center, our affiliated hospital. Candidates must also be board certified or active candidates for board certification with the American Board of Obstetrics and Gynecology. Rank will be determined based on qualifications and experience.
