Positions: Professor of Clinical X and Health Sciences Clinical Professor Series - Assistant, Associate or Full Professor Ranks

The Division of Clinical Sciences at the University of California, Riverside is recruiting faculty members in the Department of Obstetrics and Gynecology. The successful applicant must qualify for an academic appointment in Professor of Clinical X or Health Sciences Clinical Professor series at the Assistant, Associate or Full professor rank. We seek clinical educators to participate in part-time and/or full-time inpatient and outpatient clinical practice in General Obstetrics and Gynecology, Maternal Fetal Medicine, Reproductive Endocrinology and Infertility, and Gynecologic Oncology. These positions offer excellent opportunities for teaching and pursuing a career in academic medicine with time dedicated to teaching and scholarly activity. The successful candidates will practice at UC Riverside School of Medicine affiliated hospitals in Riverside and surrounding areas.

UCR is a world-class research university with an exceptionally diverse undergraduate student body. Its mission is explicitly linked to providing routes to educational success for underrepresented and first-generation college students. A commitment to this mission is a preferred qualification. Advancement through the faculty ranks at the University of California is through a series of structured, merit-based evaluations, occurring every 2 years, each of which includes substantial peer input.

The successful candidates must possess an M.D., or equivalent degree and be eligible to practice in the State of California by the time of employment. Candidates must be board certified or board eligible with the American Board of Obstetrics and Gynecology or eligible for certification if within 3 years of completing residency. Successful candidates will also be expected to show a strong commitment to education of medical students and residents. The successful candidates will also be expected to participate in research, scholarly activities, University and public service appropriate for the academic appointments in Professor of Clinical X or Health Sciences Clinical series. Applicants must qualify for medical staff privileges at UCR Health and our affiliated hospitals. Rank will be determined based on qualifications and experience.
